

Javier E. Inclán was elected as the Vice President/Secretary of the Northern Virginia Softball Umpires Association for a two-year term in November, 2017 – effective January, 2018. He was born and raised in Northern New Jersey, remaining there for 39 years prior to moving to Maryland and subsequently Virginia. He has a Bachelor of Arts degree in History from William Paterson College and a Masters in Administrative Science degree from Fairleigh Dickinson University, and is currently pursuing a Doctor of Education in Interdisciplinary Leadership at Creighton University.

Javier became interested in umpiring at the early age of 16 – as he umpired both baseball and softball in the local Little League program. When he turned 19, he attended training and was certified to umpire both high school baseball and softball, and to referee high school basketball. He spent 10 years umpiring in NJ and worked several county softball championships during his tenure.

After settling in Virginia, Javier decided to join NVSUA and attended its rookie training in 2015. After his first year, he was asked to join the NVSUA training staff and has since worked a state championship game and three USA Softball national tournaments.
